

Finances need a check-up?

**Cutting Edge FCU – Your Credit Union For Life
is offering a new FREE service to our members –
your annual financial check-up!**

Meet with a financial doctor to diagnose what financial shape you're in.

We'll take the pulse of your savings, check the weight of your credit history, examine your transactions and have you open your wallet and say "aaahhh".

It won't be painful and we promise to keep the poking and prodding to a minimum! And, we can discuss what medications your Credit Union can prescribe to make it all better.

Watch for your appointment reminder postcard in the mail. Patients who see a financial doctor receive a lollipop and a compact first aid kit. Plus, all patients seen during the month are entered to win a deluxe first aid kit!*
